Tips & Tricks
- Download the Zoom app and sign up for an account prior to your first class - allow plenty of time in case you run into any issues.
- You will not be able to join the class until the host (Amy) has started the meeting - plan to log in for class about 5 minutes prior to the scheduled start time.
- Once class begins, please make sure your audio is muted.
- If you have any issues, please contact us.
- Please hang tight with us as we work out any hiccups that might occur. This process is new for everyone, but we're excited to be able to offer an additional option for classes!
